## District Governor's Update

*(DG Charolette Henson)*

It's hard to believe that the year is soon going to be over. We just finished with the State Convention at Flatwoods. It was an honor to receive the Dudley Simm's award.

I would like to thank all the clubs who have worked so hard this year. We have 6 weeks to go. Remember, all clubs that end up with (at least) a plus one in membership will receive special recognition. So now is the time to work on adding members.

The district election was held at the state convention. Lion Gary Boyd was elected District Governor elect and I was elected 1st Vice District Governor elect for 2019-20. Lion Paul Hopkins was elected trustee for the WV Sight Conservation Foundation.

All clubs that qualify for the Club Excellence Award this year need to fill out the form (download from: <https://www.lionsclubs.org/en/resources/82269681>) and send it to me, so that I can get it turned in. If there are any questions about this, please utilize the info below to contact me.

Keep us up to date on what your club is doing and let me know when your club would like to schedule a visit.

Keep up the good work!

## **District Governor's Outstanding Club of the Month**

This month, I am naming all 57 clubs as clubs of the month. Without the help of each club, we would not have earned the Dudley Simm's membership trophy.

Thank you so much to each and every club.

Remember we have 6 more weeks to make this a totally wonderful year for the district.

### **Editor's Note**

Due to preparations and implementation of the State/Multi-District Convention, along with the impediment of my own busy schedule (and a broken laptop computer), this edition of our newsletter is very late. For the same reasons, this newsletter is also brief.

Next month, June, will end the 2018-2019 term and we will welcome our new leaders into their positions. District Governor-Elect, Gary Boyd, has asked me for all the photos that have been submitted this term. In celebration of this term, and to provide him the maximum number of photos, I am asking everyone to email me photos (with short descriptions) of their club activities from this term. If there is enough participation, then we will plan to have a special section in the June newsletter for club-event pictures taken during the 2018-2019 term.

Since this issue is so late, I will probably delay the June newsletter a couple of weeks. Hopefully I will get it out by mid-month.

## Local Club News!

*The Lewisburg Lions Club helps their community, and environment, by participating in the Adopt-a-Highway program.*

## Club-Level Award

We're proud to recognize club leaders who focus on inviting men and women to become Lions. The club-level award is available to club presidents and club membership chairpersons. Review the award criteria to see how you can qualify.

**July 1, 2018-June 30, 2019**

**Full Year Net Growth +1**

Clubs that meet the criteria will earn an e-certificate from International President Yngvadottir for the club president and club membership chairperson.

### **Qualifying Criteria**

- End the year with a net membership growth of one or more.

### **Attention:** **Club Secretaries, Treasurers and Global Service Team Coordinators**

#### **Access to MyLion**

*If you are one of these club officers, and you will be holding that office for the 2019-2020 year, and you have not yet registered for the MyLion application, please do so as soon as possible!* MyLCI and MyLion are now both accessed by having a MyLion username and password. To register in MyLion, go to [www.mylion.org](http://www.mylion.org), then click on the Sign Up Now link at the upper right on the Menu Bar. You will need you member number, then just enter the information and follow the prompts. Your username can be either your mobile phone number or your email address, then you create your own password.

Once you have accessed the MyLion site and created a user name and password, you then access MyLCI from the LCI website ([www.lionsclubs.org](http://www.lionsclubs.org)). Once the website is accessed, you see a link at the top of the screen, which reads “MyLCI/MyLion LOGIN.” When you click on that link, it will bring you to a screen that asks for you Username and Password. Remember that your username is either your mobile phone number or your email address, whichever you used to register.

Once you are in the site, you have the following four choices:

- MyLCI
- MyLion
- Shop
- Insights

Use will use MyLCI just like you did before. MyLCI is where club secretaries will record the 2019-2020 club officers as well as membership and service activities. ***It is extremely important to register in MyLion since that is how you now access MyLCI.***
